Would you prefer to have a "locate a pizzeria "option to find the nearest shops?

20 responses

What other option or technical part would you like to see on the web application?

20 responses

- How much time will it take to reach the destination 😊
- Color
- Nothing
- Specials and promotions
- Time taken to complete my order before confirming the order
- An option to reward regular buyers with discounts.
- Calculating the delivery time of the pizza
- The time of the delivery after placing the order
- Having extra ingredients option to add to pizza
